From interior systems such as plumbing and electrical to exterior components like the roof and siding, the HouseMaster Home Inspection includes the evaluation of the visible and accessible major elements of the home.

"JP originally worked on the HouseMaster corporate team, so we knew he was a hard-working and determined individual," said Jeff Meyers, Interim President of HouseMaster. "I'm confident that he will have tremendous success running his business and serving the people in his community."

McGahan plans to join local business organizations in the area to better his skillset to help the community. In his freetime, he enjoys spending time with family and coaching Little League.
