Oasis Cannabis processed 1,121 transactions through its approximately 1,500 square foot sales floor on April 20, 2021, with an average ticket of US\$80.31. Gross margin for the day was 51.9%. “That we achieved this monumental day through a singular retail location is truly remarkable,” said Company President and COO Andrew Glashow. “It was our privilege to be able to safely provide a fun, accessible way for Vegas locals to come celebrate our cannabis community's signature holiday. We couldn't be more proud

of our team at Oasis.”

The dispensary offered in-store and delivery services throughout the day, and resumed curbside services in the evening. While daily promotional pricing at Oasis historically changes at 12:00am, a constant flow of customers lined around the building compelled the store to carry over the day's promotions through closing at 2:30am. Along with these promotions, the store also provided a food truck, live DJs, vendor activations, and hourly giveaways throughout the day to mark the occasion.
