

Georgia Test Prep web app for students launches new GA Milestone test practice feature

Georgia Test Prep is happy to announce its new GA Milestone test practice feature.

SUWANEE, GEORGIA, UNITED STATES, April 24, 2021 /EINPresswire.com/ -- [Georgia Test Prep](#) is a leading online practice test tool designed to help Georgia students hone their skills in the state school curriculum and ace standards tests.

The tool is now launching a brand new feature that mimics the actual visual layout of the Georgia Milestones Assessment System (GMAS) tests. This will enable students to get familiar with the user interface of the GMAS test so that they will feel right at home with the real thing.

The Georgia Test Prep tool gives visibility into students' progress with their analytics dashboards and provides a personalized learning experience for each child, allowing them to proceed at their own pace. The content on Georgia Test Prep is presented in a simple format for an optimum learning experience.

“

Practice makes perfect!”

James V

The new feature presents realistic GMAS math tests for grades 3 to 8.

Georgia Test Prep is the leading tool for [GMAS Practice Tests](#) because it is designed in Georgia, for Georgia students, by Georgia state teachers. It contains thousands of practice questions for grades 3 to 8. Practice test material adheres perfectly with the Georgia state school curriculum, so the questions are based on what students are actually learning in school. The tool can be

accessed on any device and the question bank is being constantly updated, making Georgia Test Prep a more convenient, far more economical, and more comprehensive option than practice books. The Georgia Test Prep subscription gets you 24/7/365 access and support from the Georgia Test Prep team for less than 10 cents per day.
