

Registration Is Closing Soon for Unmanned Maritime Systems Technology 2021 Virtual Conference

SMi Group reports: The 4th Annual Unmanned Maritime Systems Technology Conference will commence as a fully interactive virtual event next month.

LONDON, LONDON, UNITED KINGDOM, April 23, 2021

[/EINPresswire.com/](http://EINPresswire.com/) -- We are delighted that [Unmanned Maritime Systems Technology 2021](#), which will be taking place online in less than three weeks' time, will be sponsored by industry leaders ECA Group, Leonardo, Navantia and Ocean Infinity.

All sponsors will be presenting briefings at the conference to provide crucial industry perspectives on unmanned and autonomous technology, alongside briefings from flag officers, naval engineers, and technical researchers.

It is £499 for government, public sector, and military personnel to attend and just £999 for commercial companies. Register at <http://www.umsconference.com/pr4>

Those who attend this highly anticipated event will have the opportunity to virtually network over 5+ hours with 7+ different nations, including Australia, Denmark, Netherlands, Spain, Sweden, UK, USA, and more.

[Top nations and featured expert speakers](#) this year include:
