*"The Academy Saga" author CJ Daly announced the release of her new book "CAP & Gown," the third installment of her saga, and fans are falling hard!*

DALLAS, TEXAS, UNITED STATES, April 27, 2021 /EINPresswire.com/ --

Katie Connelly is nineteen years old but feels like she's been fighting for survival forever. When Officer Ranger Neelson offers her a lifeline at The Academy, she snatches it with both hands. But she soon realizes that her lifeline might not be enough to keep her afloat and that her mentor might have ulterior motives. She wouldn't be willing to compromise her principles if it wasn't for one small thing--her brother Mikey. Her all-encompassing promise to her mother to protect her brothers causes her to forge forward with Ranger's master plan. After all, this is likely the best deal she would get at The Academy, and she and Mikey need all the help they can get to survive in this cutthroat world.

But during the course of her training, Kate can't help but long for a different elite cadet. Where is Pete Davenport? He's lost in the wind. Will he make an appearance before Kate marches into a destiny she's not sure she wants? Much less can handle. Somewhere along this fast-forward march, Kate makes a major misstep that costs her biggest ally and forever changes the lives of everyone she's trying to protect.
