A: It's a historic recruiting mission to globally unite and invite people to help create [THE NURSES WALL](#) — a permanent, virtual gift built with nurse-appreciative "thank you" messages posted during National Nurses Week (May 6-12-2021) by social media contacts, co-workers, neighbors, friends, family, and general public participants.

**Q: WHAT IS THE NURSES WALL AND ITS PURPOSE?**

A: The Nurses Wall's purpose is to globally honor 27+ million unsung "hero" nurses and memorialize the 1,700+ nurses' lives taken by Covid-19 as they responded to

provide care for their trusting patients.

When completed, THE NURSES WALL is someplace where nurses (and their admiring public) can visit, 24/7, and be reminded, calmed, encouraged, inspired, motivated, and reminded of their importance by the world's appreciative acknowledgment. They'll also be able to see from whom

and where these message-posting people reside.

There no cost to have or join a Challenge Team, post a nurse-thanking message, or visit THE NURSES WALL. It takes very little to participate. And what's not to like about saying "thank you" to a nurse? Seriously!

Q: WHERE CAN I SEE IMAGES OF THE NURSES WALL?

A: Images of THE NURSES WALL are included with this media release and can also be viewed on THE NURSES WALL - "I Thanked a Nurse" Registry, Home, Photo, and How-It-Works pages.

Q: WHO IS THE PERSON IN CHARGE OF THE THANK A NURSE TEAM CHALLENGE?

A: The mission is the responsibility of Operation Scrubs, Inc. (OSi), a 501(c)(3) tax-exempt nonprofit organization created to provide positive nurse image awareness, tuition-free continuing nurse education, and advanced nursing education scholarships for working nurses. OSi's founder, CEO, and Executive Director is an acclaimed nurse, [Pamela Jane Nye](#). This link provides a copy of Nye's work/personal history bio. Q: REGISTRATION TO BECOME A CHALLENGE TEAM OR POST A NURSE-THANKING MESSAGE?

A: Registration and the nurse-honoring message posting begins at noon on May 6, 2021/PST-USA time. It would be nice to achieve this nurse-thanking mission objective and get 1-Billion+ posting objective by noon on May 12/PST-USA time. Regardless, the Thank-A-Nurse Team Challenge will continue throughout 2021 with Operation Scrubs' "Year of the Nurse" designation, ending on
