

# Medical Tourism Training's President, Elizabeth Ziemba, Joins the Board of MediGence

NEWPORT, RHODE ISLAND, UNITED STATES, April 28, 2021

/EINPresswire.com/ -- Medical Tourism Training is pleased to announce that its Founder and President, [Elizabeth Ziemba](#), has joined the Board of Directors of [MediGence](#).

The relationship between the two companies has a natural connection. Medical Tourism Training offers its consulting and training services to a wide audience of public and private sector individuals and entities engaged in health travel. MediGence empowers health travelers by offering healthcare options to a global audience leveraging technology while maintaining the human connection. Both companies are committed to an excellent client and patient experience.

According to Ms. Ziemba, "It is my pleasure to accept the invitation to join MediGence's Board of Directors. I have watched the company grow from its start in 2016 and have acted as a mentor and coach since 2017. What

impresses me most about the MediGence team is its total commitment to patients. Other organizations claim to be "patient-centric", but the patient focus is central to the company's DNA. As a Board member, I look forward to using my knowledge, skill, and experience in health travel to improve the quality of services as well as accelerate the company's growth".

Enabling Better Healthcare Decisions

Despite the challenges presented by COVID-19, the company is experiencing growth including the introduction of an elegant [telemedicine](#) solution for patients and providers. Further innovations are being created by the MediGence team to serve patients better while expanding its global footprint. The company is positioning itself for the changes that will be the “new normal” once the pandemic subsides.

According to Mr. Amit Bansal, MediGence’s CEO, “It is a proud moment for all of us in MediGence to have Ms. Elizabeth Ziemba joining our Board as an active member. It is a validation of our good work that we have been doing over the years. Her induction on our Board will immensely help us in creating a strong patient centric brand and boost the company’s vision and innovation strategy to help millions of lives worldwide access healthcare more easily”.
