

Join SMi's 21st Annual Pain Therapeutics Virtual Conference in May 2021 – less than two weeks

SMi Group Reports: There is less than two weeks remaining until the highly anticipated 21st Annual Pain Therapeutics Virtual Conference, on 10-11 May 2021.

LONDON, GREATER LONDON, UNITED KINGDOM, April 28, 2021

/EINPresswire.com/ -- SMi Group are delighted to announce that the much-anticipated [21st Annual Pain Therapeutics Conference](#) will be

convening virtually in just two weeks' time on 10th and 11th May 2021, proudly sponsored by Lotus Clinical Research, MD Biosciences and Transpharmation.

[The conference](#) will provide insights into cutting edge drug discovery science, preclinical development trends and will explore novel pain drug targets and novel biomarkers. It will also explore how COVID-19 has changed the experience of clinical trials and presented an opportunity to reform approach to data verification, analysis, collection and more.

Interested parties can attend the conference at £499 for pharmaceutical and biotechnology companies and £999 for vendors and commercial firms, visit <http://www.pain-therapeutics.co.uk/PR5>

With [new advancements in therapeutic targets for the development](#) of more effective drugs, delegates stand to gain many valuable insights from this event such as:

- Discovering which innovative new therapies are driving clinical development including Novaremed's work in developing NRD.E1 for diabetic neuropathic pain and Vapogenix's work in developing volatile anaesthetic's to treat inflammatory pain
- Examining the best strategies to generate more funding into pain research clinical trials to eliminate the issue of under funding
- Exploring how COVID-19 has changed the experience of clinical trials and presented an opportunity to reform the way we approach data verification, data analysis and data collection

- Understanding the role of biomarkers in evaluating target engagement of new drugs and predicting analgesic efficacy

The latest updates to the conference include:

- New Sponsors: Lotus Clinical Research, MD Biosciences and Transpharmation will be exhibiting at the virtual conference and MD Bioscience will also be speaking on day one:

'Expanding advantages and insights with new porcine models'

Presented by Sigal Meilin, Chief Scientific Officer, MD Biosciences

- Virtual Conference Benefits networking features to chat and share contact details with other like-minded attendees, and attend virtual meetings, join live presentations and ask questions, visit sponsor exhibition booths

- 5 Speaker Interviews added to the download centre:

- Sigal Meilin, MD Bioscience
- Guido Koopmans, Algiax Pharmaceuticals
- Achim Kless, Eli Lilly
- Randall Kaye, Neurana Pharmaceuticals
- Joseph V. Pergolizzi, Chief R&D Officer, Neumentum

- Chair Interview added to the download centre:

- Naheed (Max) Mirza, Sygnature Discovery

- New Attendee List – available on the website 'download centre'

New attendees joining the conference include : Grünenthal GmbH, Asahi Kasei Pharma Corporation, GSK, Orion Pharma, The Johns Hopkins Hospital, TEVA Hungary, Neurana Pharmaceuticals, Johns Hopkins Hospital, Ipsen Innovation, France, Collegium Pharmaceuticals plus many more.... to see the full list, visit the 'download center' for the updated list

The two-day programme, speaker line-up and brochure can be viewed online at <http://www.pain-therapeutics.co.uk/PR5>

Proudly sponsored by: Lotus Clinical Research and MD Biosciences and Exhibitor: Transpharmation
