

Madison King Debuts First Solo Project “Mirror Mirror”

“Mirror Mirror” Available on May 28th on All Major Platforms

LOS ANGELES, CALIFORNIA, UNITED STATES, April 28, 2021

/EINPresswire.com/ -- Morgan King releases the newest pop song “Mirror Mirror”.

“Mirror Mirror” is a pop track, with some rock influence. It was written as a reflection of what is seen in the mirror, a reflection of how we view ourselves.

The mellow track speaks to Morgan’s own experience with universal issues of self-image and confidence.

“Mirror Mirror” takes listeners through her personal struggles with body dysmorphia. Morgan plans to use her new solo career to encourage listeners to find recovery, turn towards acceptance, and practice self-love throughout these hardships.

“When you look in the mirror, sometimes the person staring back at you seems like a horrible monster, but through self-acceptance and self-love, we can set ourselves free from that distorted image.” - Morgan King

“Mirror Mirror” will be available on May 28th on all major platforms. Follow Morgan on [Instagram](#), [TikTok](#), and visit her [website](#) to stay updated on upcoming projects.
