

BRIGHT LIGHT AT THE END OF THE LONG COVID TUNNEL FOR THE CARIBBEAN

Covid protocols ease in the Caribbean

NEW YORK, NEW YORK, UNITED STATES, April 28, 2021

/EINPresswire.com/ -- As a result of successful vaccine rollouts in the United States and the UK, two major markets for the Caribbean, the region is experiencing a wonderful bright light at the end of the long covid tunnel. The result is an easing of restrictions in many of the Caribbean islands together with a surge of new bookings resulting from pent-up demand.

Triton Villa Turks and Caicos

Exceptional Villas, the most trusted villa rental company in the world on Trustpilot, have announced that they are experiencing a 500% increase in enquiries and bookings over 2019 pre-covid levels. The owner and CEO of Exceptional Villas have said, “as we move to a brighter future, demand for our larger luxury villas with extensive grounds and facilities has never been greater”. Travel may look a little different. However, Exceptional Villas have said they are on hand to support their clients every step of the way and part of that is ensuring they provide valid and UpToDate information.
