*HRMS Ranked #50 Among Leading Firms in the Consulting and Professional Services Industries*

BOULDER, CO, UNITED STATES, April 28, 2021 /EINPresswire.com/ -- Great Place to Work® has honored [HRMS Solutions \(HRMS\)](#) as one of the 2021 Best Workplaces in Consulting & Professional Services™. This is HRMS' second time being named to this prestigious list coming in at 50th place this year. Earning a spot means that HRMS is one of the best companies to work for in the country.

The Best Workplaces in Consulting & Professional Services award is based on analysis of survey responses from more than 463,000 current employees across the U.S. In that survey, 100% of HRMS employees said HRMS is a great place to work. This number is 41 points higher than the average U.S. company.

“

I'm so proud of our team and thrilled that their survey responses elevated HRMS as one of the 2021 Best Workplaces for Consulting & Professional Services. Great employees deserve a great company!"

*Sunshine Brown, Chief Services Officer*

"HRMS' first core value is commitment to excellence. While this can be a difficult value to articulate, I see this in action everyday with how our team strives to exceed expectations, learn and adjust to changing landscapes, repeat successes and optimize whenever possible," said [Sunshine Brown](#), Chief Services Officer. To be considered a great place to work by this team is not only an honor, but a challenge. The bar for us has been elevated yet again!"

The Best Workplaces in Consulting & Professional Services list is highly competitive. Great Place to Work, the global authority on workplace culture, selected the list using rigorous analytics and

confidential employee feedback. Companies were only considered if they are a Great Place to Work-Certified™ organization. Great Place to Work is the only company culture award in America that selects winners based on how fairly employees are treated. Companies are assessed on how well they are creating a great employee experience that cuts across race, gender, age, disability status, or any aspect of who employees are or what their role is.

2021 Best Workplaces in Consulting & Professional Services

“Our people have proven they are some of the brightest, most dedicated and innovative professionals in consulting,” continued Sunshine. “I’m so proud of our team and thrilled that their survey responses elevated HRMS as one of the 2021 Best Workplaces for Consulting & Professional Services. I am honored to lead our professional services team and look forward to continuing to find great and better ways to support them in our endeavor to provide excellent customer service. Great employees deserve a great company!”

“These companies are proof that strong company culture is not restricted to the physical workplace,” said Sarah Lewis-Kulin, VP global recognition, Great Place to Work®. “Despite the challenges of the pandemic and remote work, employees at these companies say they feel supported by their leaders, connected to their colleagues and that managers bring out the best in everyone.”
