Block, Sierra Boggess, and Heather Botts. With these events, the school organization has raised nearly \$50,000 for Autism NJ over the years. Even though the pandemic has put a pause on live benefits, the Montclair State PRSSA is doing something unique - bringing Broadway stars to you like you have never heard before by stepping off the stage and into a world of Sci-fi! Each star's unique ability to share stories and connect with their audiences takes these titles to a whole new level. Each one has its own unique way of transporting your favorite stars of the stage to sci-fi characters you won't be able to get enough of.
