

HouseMaster® Home Inspections Coming to Central Iowa

Local couple bringing the original home inspection franchise to the region

DES MOINES, IA, USA, April 30, 2021 /EINPresswire.com/ -- HouseMaster, the first and most experienced home inspection franchise in North America, is announcing the opening of a new location in Central Iowa. Married couple David and Melissa Mossman are the local franchise owners and they bring years of management experience to the table: David as a draftsman and leader of a roofing business and Melissa as a manager in the food service industry.

"We are looking forward to helping people by providing essential information about homes they are thinking of buying," David Mossman said. "Every business starts with a need, and we noticed that with home inspections in our area. Realtors also need help and a reliable home inspection brand to turn to — we will be helping them as well."

HouseMaster Serving Central Iowa will cover Waterloo, Cedar Falls, Marshalltown, Ankeny, Ames and the surrounding areas.

HouseMaster provides homebuyers and sellers an independent, third-party, professional evaluation of the visible and accessible condition of the major elements of a home. HouseMaster's guaranteed inspections enable potential homebuyers and sellers the opportunity to make educated real estate decisions. From interior systems such as plumbing and electrical to exterior components like the roof and siding, the HouseMaster Home Inspection includes the evaluation of the visible and accessible major elements of the home.
