“We've been working hard to develop our distribution channels further, and we're extremely excited to now be able to offer our games to more potential players. As part of this move to make our games available on more stores, making our games accessible to even more mobile phone users across the globe,” says Nour Khrais, Founder and CEO of Maysalward.

“The launch of the Maysalward Games on Huawei AppGallery and Amazon Appstore is an important milestone for our team,” said Ali Noufal, Business Director of Maysalward Games. “We have been working very hard to create a high-quality gaming experience for our users, and we are thrilled that our games are now live and ready to be played.”

Maysalward a Jordanian based Mobile Game Studio that successfully develops fun and freemium games. Maysalward was founded in 2003 by Nour KHRAIS, focusing on providing high-quality mobile games accessible to all mobile users. In 2017, the studio expanded its operation and opened a Hyper Casual Studio in Leamington Spa (UK).
