

# Olivia Royal Showcases Latest Mixtape “PSYCHE”

*PSYCHE Available Now on All Major Platforms*

LOS ANGELES, CALIFORNIA, UNITED STATES, May 4, 2021 /

EINPresswire.com/ -- Pop artist Olivia Royal has released a brand new record, which sees the singer offer her take on the modern girl group. The new mixtape, titled ‘PSYCHE’, is named after the Chicago-based performer’s new ‘group’.

PSYCHE is composed of three different parts of Olivia that form into the pop trio. Cassie represents her head, Isabela (her heart) and Yummy (her gut).

The nine bold tracks on ‘PSYCHE’ express a new way to think about how we present ourselves to the world, and who we believe ourselves to be.

Olivia began working on ‘PSYCHE’ three years ago, and after being stuck in the house from the recent pandemic, the voices in her head only grew that much louder.

Speaking on the driving force behind this project, Olivia says:

“For a while, I felt so much pressure to define and present my brand identity as an artist when I was still trying to figure out who I was as a young woman. I decided not to cut myself down and choose one but instead showcase 3 different sides of me.”
