

## DREAMA "MRS. GILLIGAN" DENVER RELEASES AWARD-WINNING MEMOIR "GILLIGAN'S DREAMS-THE OTHER SIDE OF THE ISLAND"

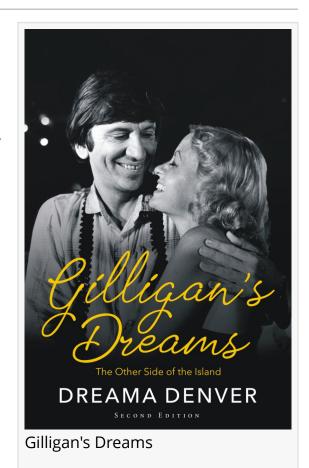

~The book chronicles Dreama's life and love with Bob "Gilligan" Denver~

PRINCETON, WEST VIRGINIA, UNITED STATES, May 5, 2021 /EINPresswire.com/ -- The iconic television series "Gilligan's Island" is shown somewhere in the world every hour of every day. Amazingly, the most famous "3 Hour Tour" in TV history is still sailing over 50 years later. New generations of fans are discovering the castaways and the show's namesake Gilligan, a role that made star <u>Bob</u> Denver a television icon.

"I was married for nearly 30 years to the man the rest of the world knew as "Gilligan," recalls <u>Dreama Denver</u>, author of the touching and award-winning memoir "Gilligan's Dreams; The Other Side of the Island" from publisher <u>Headline Books</u>.

"Gilligan's Dreams" chronicles the behind-the-scenes story of both the showbiz success and the behind-thescenes family life of one of television's most popular and

enduring stars (the "Dreams" of "Gilligan's Dreams" was Bob Denver's loving nickname for Dreama).

"This is the journey of two imperfect people who fit perfectly together," says Dreama. "Losing Bob was the most difficult thing I've ever faced, but his love left me stronger, more focused, and in the end, able to survive even when I thought I couldn't. Being loved by this man was the greatest gift of my life!"

After the young up-and-coming starlet was cast as Bob Denver's love interest in a theater production of Woody Allen's "Play It Again, Sam", real sparks flew, leading to a whirlwind Hollywood romance, a Las Vegas wedding and a long successful North American theater tour with Bob. It all came to a halt when Dreama left her rising show business career to care full-time

for the couple's infant son Colin, who was diagnosed with autism at 2 years of age. Bob Denver also soon said goodbye to his television career to be a full-time stay-at-home dad for Colin, who required 24-hour around-the-clock care. In doing so, the man millions around the world knew as the happy-go-lucky Gilligan walked away from the fame and fortune of Hollywood to play the greatest role of his life, devoted husband and father. Bob Denver passed away in 2005.

Dreama Denver now heads The Denver Foundation, helping families of other special needs children, and supporting veteran's causes. She keeps in touch with Bob's many loyal fans through <a href="https://www.bobdenver.com">www.bobdenver.com</a>, and oversees "Little Buddy Radio", an FM and online non-profit radio station owned and operated by the foundation heard around the globe on the "Tune-In" app and Amazon Alexa devices worldwide. Dreama is also the multiple award-winning children's book author of "Four Bears In A Box" written for their autistic son Colin. She often appears at book signings and celebrity autograph and memorabilia shows, helping keep Bob's legacy and memory alive.
