

MegaplanIT Announces HITRUST CSF External Assessor Approval

HITRUST has recognized MegaplanIT as a qualified organization for the execution of HITRUST CSF assessments.

SCOTTSDALE, ARIZONA, UNITED STATES, May 20, 2021

/EINPresswire.com/ -- MegaplanIT Holdings, LLC a cybersecurity and compliance firm, has been approved as a HITRUST External Assessor for assessments and associated services.

HITRUST has recognized MegaplanIT as a qualified organization for the execution of HITRUST CSF assessments. MegaplanIT has met the rigors of the strict HITRUST requirements for both assessor companies and their CSF engagement teams. HITRUST was formally the acronym for “Health Information Trust Alliance; however, the company has rebranded as simply HITRUST to now cover all forms of sensitive and regulated data. HITRUST brings together various compliance frameworks such as ISO, NIST, and PCI under the umbrella of the CSF to allow for an efficient centralization of mapping of controls from across the spectrum. Entities are assessed against 19 specific security domains contained in the CSF that simplify the mapping of the controls of the applicable frameworks and standards for assessments. HITRUST assessments address risks and operating efficiencies allowing entities to earn a status of HITRUST Certified for up to three years.
