

How to Avoid Financial Mistakes in a Divorce: A Free Educational Webinar from Advice Chaser

If you're considering a divorce, be careful how you negotiate the settlement, as it could affect the rest of your life. Join this webinar to learn more.

NEW YORK CITY, NEW YORK, USA, May 4, 2021 /EINPresswire.com/ -- By the numbers, almost half

Wes's education and experience in financial planning and divorce settlements make his presentations a great resource for folks who want to approach mediation with as much information as possible."

Megan Coelho, President of Advice Chaser

of American adults will experience at least one divorce over their lifetime. In addition to the cost of the divorce process itself, divorce can have drastic impacts on your financial situation, including your retirement, your childcare, and your house equity. If you're considering a divorce, be careful how you negotiate the settlement, as it could affect your finances for the rest of your life. On May 12, at 12:00 noon Central time, Advice Chaser will host a webinar on how to avoid financial mistakes in a divorce. You can [register for the webinar here](#).

The event is hosted by Advice Chaser, a financial concierge service that matches clients with experienced financial advisors. Wes Bangs, financial advisor and Certified

Divorce Financial Analyst will speak on the topic. His specialization and expertise in divorce finances give him insight into navigating the details of divorce settlements. In this webinar, he will discuss:

- >>What you need to know about taxes if you sell your home
- >>Post-divorce expenses to look out for
- >>Distribution options on shared retirement money, taking cash flow needs into consideration
- >>Different sources of income that could be available to you in the divorce settlement
- >>Possible financial short-term and long-term effects on your net worth

"Divorce takes a huge emotional and financial toll. If you are headed for a divorce, we hope this event can ease some of your stress and answer your questions about division of assets. Wes's education and experience in asset management, financial planning, and divorce settlements

make his presentations a great resource for folks who are looking to approach mediation armed with as much information as possible," said Megan Coelho, President of Advice Chaser.

To educate yourself about fairly negotiating retirement assets in a divorce settlement, or to learn more about your options post-divorce, contact a financial advisor. Advice Chaser can match you with a financial advisor who has experience with clients in similar situations. To find a financial advisor who is a great fit for you or for a loved one going through a divorce, [book a free consultation here](#).

About Advice Chaser

Advice Chaser is an independent financial concierge service. Our mission is to improve your investment experience by helping you access better financial advice. We listen to your specific needs and goals in order to offer you a custom-tailored connection to reputable advisors. Think of us as a boutique financial dating service.

Unlike other investor-matching services, we do not sell recommendations. Advisors pay to be considered for our select list, but they can't purchase a place there. We keep only consistently reputable advisors on our shortlist. To see what we can do for your future, [see our services here](#).
