“

I am pleased that MIRKO has joined our musical family. He is incredibly talented and shows great emotion and passion in everything he does.”

*Ruben Dario Martinez*

"In our modern, rapid and many times unemotional world, it's quite reassuring to finally find a management team that not only seems to have a no-nonsense attitude when it

comes to accomplishing missions and reach goals, but also feels like a family in the best sense of this word. If finding such a team can be measured by 'luck', I think I can say I've won the lottery. Kudos to everyone involved for inviting me on board. I hope I can be of help fulfilling many of our mutual dreams" says MIRKO.

MIRKO has recently produced songs for multi-platinum recording artist; La Bouche, Shabba Doo

& Turbo (choreographers), Real Giana Brothers (Video Game themed group), Silhouette feat. Vinx (former background vocalist of Sting, Cher, Sheryl Crow and Stevie Wonder), Dubie (Afrobeat artist from Africa) and Timi Kullai (EDM recording artist).

"I am pleased that MIRKO has joined our musical family. He is incredibly talented and shows great emotion and passion in everything he does. He is a great addition to [Nene Musik](#) and our production team Tune~Adiks, who have already produced and remixed some of the music industry's biggest stars" says Ruben Dario Martinez (CEO of Nene Musik).
