POSITIVE CHANGE CREATES HISTORY... BE THE CHANGE!

“This isn’t your typical concert series. If this were easy, everyone would be doing it. The way we are making this happen is through artists with huge social media following. Change will be made with A-Listers, Entertainment ICONS and Viral STARS, so that we can start the process of ending racism and crimes of hate.” - Emilio Torres CEO KQM Global LLC

KQM CHANGE CONCERT series will be the light at the end of a long dark tunnel. We have all struggled with the pandemic shut-down and are better, stronger and ready to wake the sleeping giant in the performance arena to make CHANGE. The George Floyd incident has moved us to create CHANGE through positive musical entertainment performances. Bringing the world back to life through the KQM CHANGE Concert series while benefiting children who have lost so much, is not only the right thing to do, it’s necessary.

KQM Global will be introducing the new ABC “Artist Body Cam” for pay-per-view subscribers at

home. Now the audience can see the show through the eyes of their favorite performers, with a live body camera that brings the audience onstage. This will be an over-the-top way to view live entertainment whether from the theatre/stadium seat or from your own home via a mobile device, tablet, computer or smart TV.

One person can change the world, but more importantly one person can change a child's world. Be the change.
