

# Berks County Braces Available from Exeter Orthodontics

*Exeter Orthodontics offers teens and adults a choice between braces or Invisalign in Reading, PA.*

READING, PA, UNITED STATES, May 6, 2021 /EINPresswire.com/ -- Braces in Berks County are available from Exeter Orthodontics. Exeter Orthodontics opened its flagship location in Reading over a decade ago and has since expanded to six offices across eastern Pennsylvania, including in Easton, Allentown, Exton, Springfield, and Harrisburg.

At Exeter Orthodontics in Reading, braces cost only \$3,995. There are no hidden fees and x-rays, retainers, adjustments, repairs, and emergency visits are all included.

“

Invisalign is more comfortable and less visible, but traditional braces are more compliant and help with more complex cases.”

In addition to braces, [Invisalign in Reading](#) is also available for only \$3,995. Invisalign uses transparent, removable aligners to gradually shift teeth into place over time.

“There are several differences between the two treatment options,” says Dr. Soraya Mills, [orthodontist in Reading](#).

“Invisalign is more comfortable and less visible, but traditional braces are more compliant and help with more complex cases.”

During a free consultation, Dr. Mills and her team will take x-rays and help patients choose a treatment plan best for their health and smile.
