LOS ANGELES , CA, UNITED STATES, May 6, 2021 /EINPresswire.com/ -- Leash Da BEAAST's foray into music was not accidental. Born Shalisse Town in Brooklyn, New York, she was surrounded by music. Her family of singers and rappers played a major role in her upbringing, so it was only natural for the music spirit to manifest at some point. Leash Da BEAAST started music production when she was 14, and her insatiable desire to explore the arts made her pick up a camera to start video directing in 2012. In 2015, she decided to take her music artist career professionally and officially created her brand, BEAAST, an acronym for "Be Everyone's Aspiration and Stay True." Being the shy and introverted one in the family, music was her way of expressing herself and getting into a new world entirely.
