Music plays an important role in my family, and I have also branched out on my own into other artistic pursuits like writing and painting. I hope to inspire others to pursue their artistic gifts.”

Tahir is best known for his musical work with Melladys Entertainment and Sound Productions, which represents one of his greatest passions (the other being his family). He plays the piano and the guitar, and he has created several original songs of his own.

The Melladys have a compendium of the group's classic and original songs from the 1970s and 1980s, as well as new,

contemporary music that draws from the themes of past favorites.

The first album from Melladys Entertainment and Sound Productions was released in 2020, and the company is currently working on a follow-up album. They are also working on a third album, to be released in the Philippines, with famed Jazz musician Johnny Alegre. Locally, Melladys
