

# Cabinet Tronix Introduces First Ever “Outdoor Mobile TV Lift Cabinet Bar & Fridge Stunner”

*Hidden TV system offers new flexibility for entertaining anywhere, forever changing party landscape*

SAN DIEGO, CALIF., UNITED STATES, May 7, 2021 /EINPresswire.com/ -- [Cabinet Tronix](#), a San Diego-based award-winning showcase [TV lift design company](#), has introduced the first ever outdoor mobile TV lift cabinet bar and refrigerator unit. With built-in wheels, the unit, called the [Outdoor Mobile TV Lift Cabinet Bar & Fridge Stunner](#) (US patent pending), is completely movable and includes a hidden TV lift, upper serving and bar area, storage, built-in refrigerator and everything needed to make an outdoor space entertainment ready.

Cabinet Tronix Outdoor Mobile TV Lift Cabinet Bar & Fridge Stunner

“You’ll never struggle to get the party started with this insane outdoor TV lift cabinet, bar and refrigerator unit that you can set up anywhere,” said Trace McCullough, founder and CEO of Cabinet Tronix, who designed the unit. “Set up by the pool, on a roof top deck, serve up drinks with a view on the patio, chill out on the deck or get shaking cocktails by the hot tub as you surprise your guests when the TV lifts out of the sleek bar. We’ve redefined what entertaining at home means with an unreal design that makes every day feel like Friday.”

“

This unit just loves to be the center of attention – and rightly so. We just released it and already those who have it are the envy of their block”

*Trace McCullough, founder and CEO of Cabinet Tronix*

The outdoor mobile US-made TV lift system, which fits up to a 65-inch TV with optional sound bar and 360-degree manual swivel, is entirely weatherproofed, designed to be enjoyed in every climate and comes with an extensive 10-year warranty. The interior is made of solid mahogany and includes a stainless steel ice bin that holds up to 40lbs of ice, a walnut/cherry cutting board, upper bottle holder, condiment station, bottle storage, and space for essentials such as glasses, cocktail shaker and utensils. It also features

two magnetic detachable lights that go over the bar for visibility after sundown, and which can be stored when not in use.

“There’s also a charging station inside the stainless storage door so you can crank up your favorite play list and charge your tablet, mobile or portable speaker at the same time,” added McCullough. “We’ve carefully crafted the ultimate in home entertainment using hardwearing IPE wood – also known as Brazilian teak. This is durable, robust and can stand up to whatever Mother Nature and your bartending has to throw at it. That means you don’t need to give a thought to mold, insects or moisture.”

Exterior dimensions of the Outdoor Mobile TV Lift Cabinet Bar & Fridge Stunner (US patent pending) to fit a 55-inch TV are 68 inches wide, 35 inches deep, and 45 inches high on the taller part. Exterior dimensions to fit a 65-inch TV are 68 inches wide, 35 inches deep, and 45 inches high on the taller part.

“This unit just loves to be the center of attention – and rightly so,” said McCullough. “We just released it and already those who have it are the envy of their block.”
