

# FSSOLUTIONS PARTNERS WITH SOCIAL INTELLIGENCE TO OFFER CLIENTS INDUSTRY TAILORED SOCIAL MEDIA SCREENING

*FSSolutions has broadened its employment screening and background check services with the addition of social media searches through Social Intelligence.*

CHALFONT, PA, UNITED STATES, May 11, 2021 /EINPresswire.com/ --

[FSSolutions](#), a national leader in full-service employment compliance screening solutions, has announced a partnership with Social Intelligence, the

premier social media screening firm, to provide social media searches as part of their [background screening](#) services. Ensuring a safe work environment means hiring trustworthy employees who protect your staff, customers, and reputation. Screening for risk areas such as violence and intolerance is a vital part of the background check process. The addition of Social Intelligence to FSSolutions' screening services offers an innovative solution to screen candidates' social media profiles and online presence safely without compromising compliance or candidate privacy.

"We are pleased to team up with Social Intelligence, whose experience, knowledge, and reputation in social media searches make them an ideal partner," said Michael Koffler, President and CEO, FSSolutions. "FSSolutions is determined to provide our clients with the most comprehensive background screening tools on the market. Through this strategic partnership, our background checks will deliver a more robust review of a candidate and help clients ensure they're hiring the right people for the job."

With the addition of social media searches conducted by Social Intelligence, FSSolutions continues to expand its services while serving the needs of its clients through innovation and exceptional service.
