

Confirmed speakers for the upcoming Pre-filled Syringes San Francisco Conference 2021

Smi Reports: 2nd annual Pre-Filled Syringes San Francisco conference taking place on 13th and 14th September 2021.

LONDON, LONDON BRIDGE , UNITED KINGDOM, May 10, 2021

/EINPresswire.com/ -- With the global market for [pre-filled syringes](#) estimated to exceed \$9.7bn by 2025, the field is evolving at an exponential rate with connectivity and digital health strategies for devices and studies at the forefront.

This event will delve into the key takeaways following the global pandemic and discover how this will be used to enhance future drug delivery device development. This comprehensive overview will explore the changing global market and latest innovations in device design and development for injectable drug delivery.

Visit the event website to learn more and download the brochure at www.prefilled-sanfrancisco.com/einpr2
