[Hydration](#) & Wellness, a leading provider of IV hydration therapy, today announced that it has opened a new retail location in Provo, UT at the Shops at Riverwoods. Grand Opening events and specials begin Thursday, May 13, and running through the end of May 2021. This new location will provide an array of IV hydration solutions, [injections](#), and [NAD+](#) therapy. All solutions use a proprietary blend of vitamins, minerals, amino acids, and IV fluids. IV therapy is infused directly into the bloodstream, giving the recipient's cells rapid access to the nutrients required for healing, improved performance, and general well-being.

"IV hydration therapy is a new thing for many people," said Tom Smith, owner and operator. "Those who have come in so far or who have visited our Lehi and St. George stores have provided great feedback so far. To help people get more familiar with a service like ours, we invite anyone to make an appointment for a free primary IV between now and the end of May. There's no better way to discover the endless benefits of IV hydration therapy than to simply come in, sit in one of our massage chairs, and let us hook you up--literally!"

Several customers at the Shops at Riverwoods have already given Prime IV high ratings. Emily H. wrote on Google, "I had such a great experience at Prime IV. The facility is beautiful. The staff are friendly and kind. There was a wide variety of product choices and the staff member who was helping me choose my IV was very knowledgeable and explained the options so well. The nurse

who administered the IV was so sweet and made sure I was comfortable in their state of the art massage chair. Once I got all settled the massage chair literally rocked me to sleep. That was three days ago and I've had higher energy ever since. I highly recommend Prime IV."

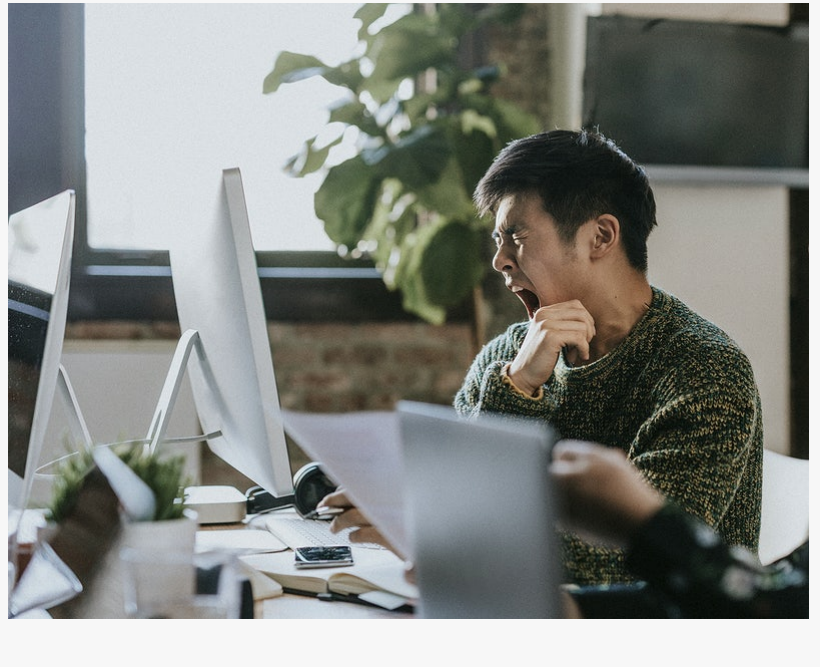

IV hydration therapy offers a host of benefits and is used by many to alleviate symptoms associated with flu, migraines, seasonal allergies, weight gain, muscle pain, dry skin, joint pain, and even premature aging—among a variety of other ailments.

This Provo store is located at The Shops at Riverwoods and will feature the following:

- 10 specialized infusions with high doses of vitamins, minerals, amino acids, and antioxidants that provide 100 percent absorption to cells and tissues that need it most.
- Injections to supplement nutrition sources and boost vitamins and minerals.
- Monthly memberships to support health and wellness goals over time
- Highly skilled and certified staff of medical professionals committed to their client's health and wellness journey.
- Services ranging from helping boost immunity to relieving chronic fatigue, allergy symptoms, migraines, Lyme disease and Lupus symptoms and improving athletic performance, accelerating recovery, reducing the effects of aging, enhancing weight loss, and many more.

"As part of our grand opening, we invite you to drop by or look online for our specials," said Smith. "We are offering free IVs, free vitamin injections, discount memberships, and more!"

Beginning May 13, 2021, hours at the Riverwoods, Provo, UT location will be from 10:00 am to 6:00 pm Monday-Thursday, 10:00 am to 8:00 pm on Fridays, and 10:00 am to 4:00 pm on Saturdays (closed Sundays). Grand opening specials will be posted on the store's website at www.primeivriverwoods.com and social media sites (Facebook, Instagram, Twitter, and

LinkedIn). Prime IV expects grand opening specials to run through the month of May.

About Us

Prime IV Hydration & Wellness

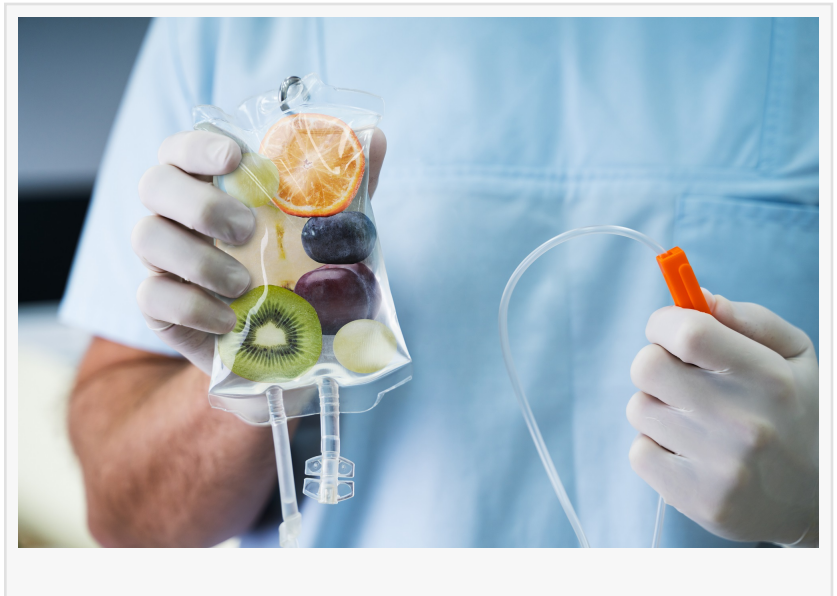

Riverwoods is staffed by people who are passionate about health and wellness. Based on the growing need for additional health and wellness

solutions, we deliver the best formulations based on extensive research and medical validation. We endeavor to educate people about their personal health and wellness while providing top-of-the-line vitamin cocktails unlike what others currently offer. We strive to provide a spa-like experience while giving the public an alternative to pills or other substances that are not all natural and could be harmful to the body if used long term.

There's no better way to discover the endless benefits of IV hydration therapy than to simply come in, sit in one of our massage chairs, and let us hook you up--literally!"
