

Interstate Plastics' Portable Desktop Sneeze Guard Helps Keep Workplaces Sanitary

Interstate Plastics guards are ideal for reception desks, waiting rooms, pharmacies, post offices, grocery & retail stores, banks, restaurants, and schools.

SACRAMENTO, CA, UNITED STATES, May 12, 2021 /EINPresswire.com/ -- Interstate Plastics now offers a portable desktop [sneeze guard that is suited for any office or point-of-purchase location](#). The desktop sneeze guard helps prevent airborne particles from reaching directly beyond the sneeze guard for a more sanitary work environment.

Portable [desktop sneeze guards](#) are lightweight yet durable and come with rounded corners at the top as well as removable base stands. Assembly is complete in seconds and is as easy as sliding the bases onto the sneeze guard. Two slits at the bottom of the guard allow the stands to interlock, providing stable support. The stands can just as easily be removed for storage. At the bottom of each shield is an 18-inch pass-through slot for documents, wires, or payment, without compromising the effectiveness of the shield's protection.

Desktop sneeze guards are made of clear acrylic or polycarbonate. Both materials have a much higher impact resistance than glass while providing the same high optical clarity. Desktop sneeze guards are ideal for hospital check-in areas and waiting rooms, pharmacies, government agencies such as post offices, checkout stands in groceries or other commercial stores, banks, restaurants, universities, and schools. Desktop sneeze guards can be sanitized with non-abrasive cleaners and disinfected with ammonia-free soaps.

See <https://www.interstateplastics.com/ppbcleaning> for recommended cleaning and sanitizing solutions and methods.

Interstate Plastics' sneeze guards are easy to quickly sanitize with non-abrasive cleaners and can be disinfected with ammonia-free soaps."

Christopher Isar

Desktop sneeze guard options include 23.5" x 31.5" and 23.5" x 35.5" with custom sizes available upon request. To request custom sizes or learn more about desktop protective guards and other protective solutions offered by Interstate Plastics, call the experts at (888) 768-5759.
