

Jeffrey Janson, CFP®, AIFA® – Nation's First Financial Advisor to Complete RIADAC's Certificate in Blockchain and Digital Assets®

GREAT FALLS, VIRGINIA, UNITED STATES, May 12, 2021

/EINPresswire.com/ -- The [RIA Digital Assets Council](#) in partnership with the [New York Institute of Finance](#), is pleased to announce that Jeffrey Janson, CFP®, AIFA®, Senior Wealth Advisor at Summit Wealth Partners, LLC, is the nation's first advisor to complete the Certificate in Blockchain and Digital Assets® course.

Jeffrey is the first of an exclusive group of financial advisors with the credentials to serve investors who are curious about bitcoin, blockchain and digital assets. More than 600 advisors are enrolled in the course, with dozens more enrolling daily.

"We congratulate Jeffrey Janson on his remarkable achievement," said RIADAC Founder Ric Edelman. "Jeff's commitment to staying current with the latest trends and serving his clients' best interests is demonstrated by his successful completion of this rigorous program."

By attaining the Certificate, Janson is awarded membership in the RIA Digital Assets Council and granted access to exclusive educational resources that will help him serve his clients.

"I am honored to have obtained my Certificate in Blockchain and Digital Assets," said Janson. "I am dedicated to serving my clients in their efforts to achieve financial security, and the knowledge I've gained through the program will help me serve my clients in ways other advisors can't."

RIADAC

RIA Digital Assets Council Certificate in Blockchain and Digital Assets®

The 11-module online self-study program allows financial advisors to become fluent in blockchain technology, bitcoin and other digital assets, and provides 13 CE credits. Through the course, advisors become proficient in key practice management areas pertaining to digital assets, including tax, regulatory and compliance issues as well as portfolio construction and management. Most importantly, advisors learn how to explain this new asset class to clients.

The certificate program's inaugural class includes financial advisors from around the world, including France, Great Britain, Mexico, Puerto Rico, South Africa, South Korea and Australia. Designed by leading financial advisors, the Certificate in Blockchain and Digital Assets® is the only course of its kind tailored to advisors – and the program's world-class faculty are foremost experts in the blockchain, digital asset and financial advisory fields.
