In addition, you’ll discover that its sumptuous luxury hotels have actually been designed to be entertaining attractions in and of themselves. They present exotic visions that range from erupting volcanoes to free side show presentations. The never-ending attractions include an amazing list of shows along with unique museums and a list of things to see and do that will keep you entertained for no matter how long that you wish to stay!

Matt [Keezer](#) also notes that The Grand Canyon is only a short ride away by helicopter. In addition, you have the options of experiencing many different outdoor activities that include; camping, hiking, skiing and boating. One of Las Vegas’ best features is that it’s an excellent place to visit all throughout the year.

## COVID-19 Considerations for Visiting Las Vegas, Nevada

Currently, Las Vegas is in the process of re-opening all of its tourist attractions and activities. Of course, the main focus is on staying healthy and adhering to suggested government guidelines

that are Covid-related. The current goal for Las Vegas is 100% capacity by June 1st, so now is a good opportunity to plan your next vacation in order to take advantage of the smaller crowds that will shorten some of the previous wait times for the most popular activities.

However, Matt Keezer strongly suggests that anyone planning to visit Las Vegas should check out the [current COVID information](#) that's available, prior to scheduling their vacation.

## Things to do in Las Vegas

You'll find that Las Vegas provides an unlimited list of fun and exciting activities. However, Matt Keezer highly suggests the following attractions:

- Venetian Hotel and Gondola Rides
  - This world-renowned resort features a recreation of a Venice, Italy gondola ride experience.
- Mirage Hotel Erupting Volcano
  - This resort features a spectacular volcano which erupts at regular intervals. It's definitely one of the most fantastic and unique sites in Las Vegas.

Matt Keezer advises that prior to your vacation in Las Vegas, you should contact the tourist attractions that you wish to enjoy in order to see if they will be open during the time that you plan to be there.

Having to stay in the same location for an extended period of time can get old pretty fast. However, one of the best activities to make the time go by more enjoyably is to plan your next vacation. Check out the attractions in Las Vegas, NV and see which ones you would like to visit during your stay there. This can also be the perfect activity for the entire family, as well.
