

Less than 4 weeks to go until the Future Soldier Technology USA Conference

Smi Reports: Registration closes in less than four weeks for the Future Soldier Technology USA Conference, taking place virtually on June 8th and 9th 2021

LONDON, UNITED KINGDOM, May 13, 2021 /EINPresswire.com/ -- With less than four weeks to go, the 2nd Annual Future Soldier Technology USA Conference will bring together a community of senior military leaders, program managers, and researchers at the forefront of delivering enhanced soldier capabilities, from the US and beyond.

Key topics to be discussed include: Enhancing soldier lethality, Next Generation Squad Weapon, Advanced target acquisition systems, Soldier sensors, Manned unmanned teaming, Communication systems, Battlespace management, Soldier sustainability, Systems trialling and evaluation, Synthetic training environments and Augmented reality.

Interested parties can register at US\$499 for all military and government personnel except US DoD who can attend for free and US\$999 for commercial organizations you can visit <http://www.futuresoldierusa.com/PR4EIN> to register.

As the world's biggest meeting of soldier modernization specialists from across NATO-aligned defence forces, this two-day event will provide excellent networking opportunities for those shaping the future of soldier tech through partnerships and innovation. Military and industry representatives attending the conference include:

US: Combat Capabilities Development Command, Capabilities Development Directorate, Combat

Development and Integration, Department of [Defense](#), Ground Combat Element Systems, PEO C3T, PEO Soldier, US Army Armor School, US Army Futures Command, US Marine Corps Systems Command

Other Organizations: British Army, Canadian Army, Defence Science and Technology Laboratory – UK, Leonardo DRS, Redcom Laboratories, Swedish Armed Forces

Interested parties are advised to register soon on the event website to guarantee a place at <http://www.futuresoldierusa.com/PR4EIN>

Gold Sponsor: Leonardo DRS

Sponsors: Axon, Domo Tactical Communications and REDCOM
