G-Cube Wins a Spot on the 2021 Top Training Outsourcing Companies Watch List

NEW DELHI, DELHI, INDIA, May 13, 2021 /EINPresswire.com/ -- G-Cube announces that it has bagged a spot on the 2021 Top Training Outsourcing Companies Watch List. G-Cube has been a preferred outsourcing partner of global organizations for the past 21 years. The company helps organizations become more knowledgeable and efficient by providing solutions to create understanding, raise awareness, develop skills, change behaviors, and bring cultural change. So far, G-Cube has provided outsourcing services to more than 500 organizations across North and South America, Europe, Australia, Africa, the Asia-Pacific, and the Middle East.

G-Cube Wins a Spot on the 2021 Top Training Outsourcing Companies Watch List

G-Cube won this spot by demonstrating its ability to develop learning programs based on cognitive science, principles of pedagogy for adult learning, and the latest content-development technologies. The company demonstrated the financial value it brings to the table and provides expert resources, a seamless transition process, clear communication, and subsequent client satisfaction.

> We are humbled to be included in the watchlist. The credit goes to our clients. We are proud to have a capable team that is competent at handling the training and development requirements perfectly."
>
> *Manish Gupta*

Danielle Draewell, a market research analyst at Training Industry, Inc. says, "The companies on this year's Training Outsourcing Watch List have demonstrated innovative capabilities through various services, including training administration, content development, training delivery, and learning-technology management. With these services, they create comprehensive solutions that drive business outcomes."

Manish Gupta, G-Cube's co-founder and CEO says, "We are humbled to be included in the watchlist. The entire credit goes to our clients. They gave us opportunities to partner with them to upskill and reskill their workforce for the changed business situation. We are proud to have a capable team that is competent at handling the training and development requirements perfectly."

About G-Cube
