Conrad to oversee EOS' Partnership Team tasked with inspiring, mentoring, and coaching school leaders toward their district's equity goals

SEATTLE, WA, USA, May 14, 2021

[/EINPresswire.com/](https://www.einpresswire.com/) -- [Equal Opportunity Schools \(EOS\)](#), a Seattle-

based national nonprofit, today announced the appointment of Dr. Tracey Conrad as Chief Program Officer (CPO), effective Tuesday, June 1, 2021. She is a committed education equity warrior and passionate about social justice issues within the public school system. "The Board, Interim President Dr. Sasha Rabkin, and I are pleased to announce Tracey's

appointment,” said Interim Chief Executive Officer Eddie Lincoln. “I can’t imagine a better person helping us lead EOS to a brighter future.”

“EOS is a great organization. I am honored to serve in this capacity and look forward to lending my leadership skills and experience at the cabinet level,” said Chief Program Officer Dr. Tracey Conrad. “I have been intimately involved as a former principal, a member of the Partnership Development Team, and as a Partnership Director (PD). I believe this breadth of experience will be invaluable as I move into the role of CPO. We have an incredible Partnership Team and I am looking forward to what we can accomplish on behalf of this nation’s forgotten students.”

Dr. Sasha Rabkin added, “These kinds of decisions are essential for organizations like EOS to get right. Our Partnership Team is incredible, the work they do is provocative, thoughtful, and dynamic, and they deserve a leader who understands the breadth of their needs and the importance of their work. Hiring Tracey will ensure the team and our organization is positioned to engage in the meaningful work of struggling for racial equity in schools across the country.”

Dr. Conrad retired from Columbia Public Schools in 2014. Since then, she has served as a Partnership Director for EOS, and has been integral in EOS’ development on new programs, as well as mentoring district leaders, creating training materials for Equity Leader (or train the trainer) Labs, and finding and advocating for young people of color. Tracey holds bachelor’s, master’s, and doctoral degrees in education all from The University of Missouri-Columbia.
