

The Preview Channel™ Launches on Plex

BEVERLY HILLS, CALIFORNIA, UNITED STATES, May 18, 2021

[/EINPresswire.com/](#) -- [The Preview Channel™](#) (TPC/Company) The Preview Channel™ (TPC) one of the fastest growing free advertiser supported, linear and AVOD streaming OTT television channels has launched worldwide on [Plex](#). TPC, which debuted in February 2019 exclusively programs the highest production value short form content consisting of first run motion picture, television, streaming and video game trailers and previews, 'behind the scenes' entertainment and interviews along with a variety of related in-house original productions, all formatted in themed episodes featuring the biggest stars, filmmakers, blockbuster titles and franchises.

The Preview Channel

Plex is a popular platform for streaming all your favorite media from one beautiful app. Plex now offers more than 20,000 free on-demand movies and shows and over 150 free live TV channels in 193 countries, alongside access to other content, including personal media libraries, streaming music, and podcasts.

William Sager, CEO of TPC said, "The Preview Channel™ is the natural go-to channel for consumers as it has something for everyone to discover and can be viewed in small bites on the go or enjoyed in immersive long form episodes. With so much content to choose from and movies now coming back to the theaters, The Preview Channel™ is a unique channel and its standalone format additionally benefits consumers by allowing them to sample and 'preview' a wide variety of entertainment available elsewhere. We are delighted to be on Live TV on Plex, which is one of the early pioneers in the media marketplace and we are proud to become part of their family."
