

Regen Suppliers Offering New Covid 19 Vaccine Freezer with Ultra Low Temperature

Regen Suppliers is offering a Covid 19 vaccine freezer, which reaches ultra low temperature at -80 degrees. The Bio Cryo freezer is portable and weighs 30 kgs.

SCOTTSDALE, ARIZONA, USA, May 17, 2021 /EINPresswire.com/ -- Regen Suppliers is now offering a new [Covid 19 vaccine freezer](#), which reaches ultra low temperature (ULT) at -80 degrees Celsius. The Covid 19 vaccine freezer, known as Bio Cryo, is portable and weighs only 30 kgs.

The Bio Cryo is unique, as it is portable and is able to plug into a car power adapter. In addition, the ULT vaccine freezer is lightweight, runs quietly, and puts off very little heat. This is a significant improvement on most vaccine freezers that are bulky, heavy and very expensive.

“

The Bio Cryo is unique due to its small footprint, being lightweight, ultra low temperature, its portability and the fact it cost thousands less than competitors!”

*CEO David Greene, MD, PhD,
MBA*

The Bio Cryo cost only \$5495, which includes domestic shipping. The Covid 19 vaccine freezer comes with a six month warranty. Over 1000 vaccine vials can be stored in the ULT freezer.

According to Regen Suppliers Dr. David Greene, "The Bio Cryo is unique due to its small footprint, being lightweight, ultra low temperature, its portability and the fact it cost thousands less than competitors!"

Along with vaccine vials, the [ULT cryogenic freezer](#) is also a great option for pharmaceuticals, allograft tissue, research samples and other items that need ultra low temperature storage.

Along with offering the Bio Cryo portable cryogenic freezer, Regen Suppliers is a first rate [PRP kit supplier](#), and also offers inexpensive centrifuges, allograft tissue and autograft adipose kits as

well. For biologics, new customers receive 25% off their first purchase.

To inquire about the Bio Cryo Covid 19 Vaccine Freezer, call Regen Suppliers at (888) 568-6909.
