"When Ronda Parag, publisher of Tampa Bay Metro Magazine nominated me, I was apprehensive about the stiff competition. I am honored and humbled with the enormous outpouring of support from Susanne Byram, and the amazing team we have assembled to work on the L'Orange for Leukemia event. Jill Plaice, Holly Walker and Lindsay Germann have volunteered their time and worked very hard for the last 2 months to ensure its success. Every dollar counts. It takes a village and this cause is something that's very personal to me, Each donation will prevent someone from losing a child, sibling or parent or loved one, and allow LLS
