[Ajay Jotwani, Co-founder & CEO](#) of i2Chain said, "We're thrilled to receive one of the most prestigious and coveted cybersecurity awards in the world from Cyber Defense Magazine. The award reflects on the team's tenacity, the valuable feedback received from our global clientele, and our advisors that have enabled this relentless pursuit of excellence. We knew the competition would be tough, and with top judges who are leading infosec experts from

around the globe, we couldn't be more pleased."

i2Chain's Co-founder, SVP & CISO, Dave Swan adds, "We are excited to have won this award and the recognition of our contribution to securing the information assets of our customers. Protecting key information assets, regulatory compliance, and reducing risk to corporate brand and revenue is always on the agenda of today's executive and board meetings. We are proud to be enabling these protections."

“i2Chain embodies three major features we judges look for to become winners: understanding tomorrow's threats, today, providing a cost-effective solution and innovating in unexpected ways that can help stop the next breach,” said Gary S. Miliefsky, Publisher of Cyber Defense Magazine.

We're thrilled to be a member of this coveted group of winners, located here:

#### About CDM InfoSec Awards

This is Cyber Defense Magazine's ninth year of honoring global InfoSec innovators. Our submission requirements are for any startup, early stage, later stage or public companies in the INFORMATION SECURITY (INFOSEC) space who believe they have a unique and compelling value proposition for their product or service. Learn more at [www.cyberdefenseawards.com](http://www.cyberdefenseawards.com)

#### About the Judging

The judges are CISSP, FMDHS, CEH, certified security professionals who voted based on their independent review of the company submitted materials on the website of each submission including but not limited to data sheets, white papers, product literature and other market variables. CDM has a flexible philosophy to find more innovative players with new and unique technologies, than the one with the most customers or money in the bank. CDM is always asking "What's Next?" so we are looking for Next Generation InfoSec Solutions.

#### About Cyber Defense Magazine

With over 5 Million monthly readers and growing, and thousands of pages of searchable online infosec content, Cyber Defense Magazine is the premier source of IT Security information for

B2B and B2G with our sister magazine Cyber Security Magazine for B2C. We are managed and published by and for ethical, honest, passionate information security professionals. Our mission is to share cutting-edge knowledge, real-world stories, and awards on the best ideas, products, and services in the information technology industry. We deliver electronic magazines every month online for free, and special editions exclusively for the RSA Conferences. CDM is a proud member of the Cyber Defense Media Group. Learn more about us at <https://www.cyberdefensemagazine.com> and visit <https://www.cyberdefensetv.com> and <https://www.cyberdefenseradio.com> to see and hear some of the most informative interviews of many of these winning company executives.
