PuzzQuest seeks out unknown artists and hidden gems and turns their work of art into creative puzzles, allowing unknown but passionate creators to share their works of art worldwide. PuzzQuest was born out of a love of art, from painting to photography, sculpture, and design. Being surrounded by art adds pleasure to daily life.

Quality is a priority, and PuzzQuest makes every effort to ensure that every puzzle is made with the highest quality and workmanship. Sturdy pieces, a

beautiful finish, and intricate details set PuzzQuest puzzles apart. Every PuzzQuest jigsaw puzzle is manufactured using premium quality, environment-friendly recycled paper, handcrafted cutting dies, and a proprietary manufacturing process that creates minimal puzzle dust in the box. The UV oil varnish protective coating on every die-cut 2mm industry-leading thickness piece gives the puzzle a soothing well-constructed feel while protecting your finished work from the elements.

We're excited to share that PuzzQuest now offers three stunning puzzles. Venice Chariot, Conformity, a celebration of the natural beauty we all possess, and Stroll, a walk in the streets with love in the air. All orders ship free to the continental United States and Canada and include a bonus poster with the puzzle's image to assist in solving as well as a bonus screensaver of the artwork for your phone and computer.

Plus, PuzzQuest does more than just sell puzzles. Its goal is to help develop art and art communities. For every puzzle sold, a percentage goes directly back to the contributing artist to help them continue their work. PuzzQuest also supports art charities worldwide to help inspire new artists to flourish.

"Every PuzzQuest puzzle is a work of art, worthy of hanging when completed. I love that we support unknown artists both from a financial perspective as well as getting their name out there," said Gill. "Together, we are helping artists all over the world. PuzzQuest is all about the creativity in all of us!"
