

Bertucci Rolls Back Time with the A-2RA RETROFORM

New Retro-Inspired Field Watch Pays Tribute to Watches of Years Past

CHICAGO, IL, UNITED STATES, May 17, 2021 /EINPresswire.com/ -- [Bertucci® Ultimate Field Watch™](#) introduces the [A-2RA RETROFORM™](#), a painstakingly authentic, retro-inspired field watch that pays homage to military-issued field watches of the 1960s. The watch's retro-cool look makes a bold statement and is designed for those who seek authenticity.

“We studied vintage watches to ensure the RETROFORM stays true to the past, but also incorporates a number of subtle improvements to enhance overall performance, durability and comfort,” said Tammy Mcguire, a spokesperson for Bertucci Ultimate Field Watch.

A-2RA RETROFORM 40mm (MSRP: \$140)

One of the most notable features of the A-2RA RETROFORM is its rugged, U.S.

Patented, Unibody™ 40 mm case. The fiber-reinforced polycarbonate case is lightweight, durable and lays comfortably on the wrist. The case features a distinct olive drab (OD) color, which is an authentic U.S. Army color.

Additionally, the watch features a Duraform™ domed crystal, which is impact, shatter and fingerprint resistant with high optical clarity. The A-2RA RETROFORM is powered by a U.S. assembled, all-metal jeweled movement for pinpoint accuracy, reliability and long-lasting life.

Other notable features include:

- Swiss super luminous hands and markers for enhanced visibility in low-light conditions
