SWANSEA, IL, UNITED STATES, May 17, 2021 /EINPresswire.com/ -- Illinois trial attorney David Cates was recently named one of the Attorney and Practice (A&P) Magazine's Top 10 Personal Injury Attorneys in 2021. The A&P Top 10 award achievement is reserved only for lawyers who have successfully demonstrated a high degree of legal excellence in their unique areas of the law field.

Due to the stringent standards of the A&P Top 10 award, less than a percent of lawyers nationwide receive invitations for membership as well as magazine subscription. The lawyers who are selected for the award are also included in a comprehensive list published in A&P's quarterly magazine and on www.attorneyandpractice.com.

According to A&P Magazine, the purpose of its Top 10 lawyer list is to recognize the major achievements of lawyers whose practices elevate the standards upheld by their particular states' Bars. The award also offers reliable benchmark for fellow practitioners to utilize in their own legal practices. The annual list encompasses leaders in the industry who have appeared in such media as ABC, CBS, FOX, MSNBC, NBC, the New York Times, Newsweek, The Washington Post, and Time.

Cates said receiving the A&P award was humbling, and he looks forward to continuing to demonstrate his high-level expertise and client service in the legal field.
