

Charity event dedicated to the International Children's Day

We are going to hold a donation gathering charity event dedicated to International Children's Day!

ORLANDO, FLORIDA, USA, May 18, 2021 /EINPresswire.com/ -- We are happy to announce that on behalf of Foundation for Foster Children and JMJ Pregnancy Center, we are going to hold a donation gathering charity event dedicated to International Children's Day!

It was so heartbreaking for us to discover that when kids are removed from their homes, which usually happens in a rush, they either leave with no belongings or just a trash bag of items. That's why we want to supply those children with all necessary things right away, to make that transition period as smooth as possible for them. Leaving everything behind and starting over a new life may sound scary even for adults, so imagine how terrified those kids are. Nothing can help them better than understanding that people around care and they can rely on us.

We also encourage our community to support children by active participation in various educational and enrichment programs for kids. Unfortunately, education is almost always delayed and disrupted for them. Life on the move without parents to provide continuity leaves these kids particularly ill-equipped for the transition to adulthood. Many of them are two years behind their peers in school. Sharing your knowledge and skills with the children will lead them

to a better and brighter future!

Besides helping children, our mission is to bring our community together and increase people's awareness of the problems that our society faces everyday. There is no one to pass it to but ourselves! Jointly we can overcome all difficulties and make our world better!

Together we can help kids in foster care, expecting moms and their families on this difficult journey by providing them with the things they need but, unfortunately, can't afford.

If you have an opportunity to help, please see a list of the items kids need below:

Foundation for foster Children (new items)

Clothing for boys and girls (for any age and size)

Baby changing kits, wipes, lotions, diapers

Laundry baskets, towels, personal hygiene products

Bedding, baby blankets with stuffed animals
