

Early Bird Tickets are now available for Military Flight Training 2021

SMi Reports: Register by June 30th to save £200 for Military Flight Training, taking place in London on 4th and 5th October 2021

LONDON, ENGLAND, UNITED KINGDOM, May 19, 2021

/EINPresswire.com/ -- SMi Group are proud to announce the return of the Military Flight Training for its 9th year running, taking place in London, UK on 4-5th October 2021. Military Flight

Training aims to comprehensively cover the latest developments in [fast jet](#), rotary, and [fixed wing](#) training, as well as national approaches to pilot development and technological advances to synthetic and live training programmes.

Key Topics to be discussed include Fast-Jet Training, Rotary-Wing Training, Fixed-Wing Training, Synthetic and Live Training, Pilot Retention and Attrition Reduction, Immersive Technologies for Flight Training and Training Platforms.

For those interested in attending, there is a £200 early bird discount ending on June 30th.

Register your place: www.militaryflight-training.com/PR1

Exclusive for this year, the 9th Annual Military Flight Training Conference will feature representation from the UK MoD, new speakers from the US and new speakers from multinational training schools. This two-day event is an invaluable opportunity to meet world-leading experts in the field of pilot training.

Key reasons to attend

- Receive unparalleled insight and access into the world's leading pilot training programmes and initiatives.
- Meet and network with leaders in pilot training from industry, military and government across two days, including dedicated networking lunches and drinks reception
- Hear updates and guidance from world-leading programme managers

•Delve into the latest topics and trends shaping the future of synthetic training, retention and training, gaming technology and more.

Military Flight Training 2021 provides the perfect opportunity for flight training professionals to gather and share their experiences to ensure that the pilots of the future are ready to fight and win.

The newly released brochure including the full speaker line-up and programme details is now available to download online at www.militaryflight-training.com/PR1
