

# Hawaiian Falls The Colony and Garland Open May 22

*\$500K In Improvements at The Colony Adds New Look and Features*

DALLAS, TX, UNITED STATES, May 20, 2021 /EINPresswire.com/ -- Summer fun begins May 22nd when Hawaiian Falls Waterparks The Colony and Garland open for their 2021 season.

Despite the pandemic last year, and the many challenges surrounding it, both parks were able to open and operate safely last season. The Colony has been very busy preparing to open for one of the most exciting seasons and to welcome pass holders and guests back for a NEW look and experience.

Hawaiian Falls The Colony and Garland

The Hawaiian Falls parks have been around for more than 20 years and have had multiple owners. Last year, [Hawaiian Falls The Colony](#) and Garland were purchased by Premier Parks, who owns 11 other parks such as Wet 'n' Wild in Hawaii and Toronto; Island H2O in Orlando, FL; Rapids Water Park in West Palm Beach, FL; Nashville Shores in Nashville, TN; Magic Springs in Hot Springs, AR; and Elitch Gardens in Denver, CO.

“

We want Hawaiian Falls The Colony and Garland to be your favorite North Dallas area water parks”

*Chris Shillcut, General Manager of Hawaiian Falls The Colony and Garland*

Premier Parks was committed to improving the guest experience at these two Hawaiian Falls parks. They invested \$500,000 to give The Colony Waterpark a facelift and paint slides, improve restrooms, enhance food and drink locations, buy new furniture, add more shade, and landscaping along with improved theming.

“It’s challenging being a small waterpark in a big park market with lots of competition,” stated

Chris Shillcut, General Manager of Hawaiian Falls The Colony and Garland. "We want Hawaiian Falls The Colony and Garland to be your favorite North Dallas area water parks - a place that's easy and safe to take the kids, where you can meet up with friends and family and feel like you are on a vacation! After all, Hawaii is in our name."

The new improvements were designed with 'vacation' in mind. A visit to the parks should be an escape from the everyday, where you can experience something new, destress, relax, and be

entertained. A place where you can treat yourself to fun food and drinks while you enjoy good customer service. But most of all, a place where you can spend time with your family, take lots of pics, and make lasting memories.
