journals, and email. Research experts examined services with therapists who can treat many conditions and have a deep understanding of challenges faced by veterans, active duty military members, and their families. It was also crucial for service providers to support same-day appointments, on-demand sessions, and nationwide access.

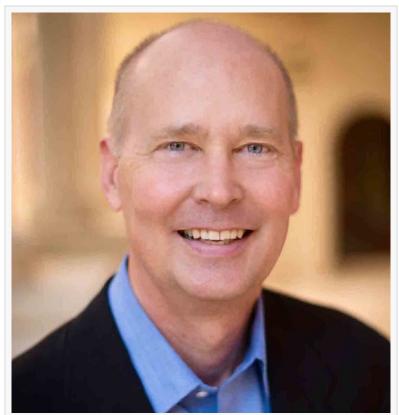

OnlineTherapy.com reviewed numerous platforms across the globe in high demand categories. To access the complete list of best online therapy for veterans in 2021, visit: https://www.onlinetherapy.com/therapy-for-veterans/
