A recent review of the firm said, "Francine Love helped me execute the sale of my small business this year. She's a pleasure to work with, always responsive and had good counsel for properly setting up the sale. I felt very supported and she helped me get the best deal possible while respecting my desire to support the new owners. It was a very easy process and I couldn't have done it without her! I would happily recommend Love Law firm to anyone looking for legal counsel, especially small businesses."
