

Softlink IC's Annual Library Survey is Now Open

The survey is now open and will be available for completion until the 30th of July. A link to the survey is available on our website.

BRISBANE, QLD, AUSTRALIA, May 25, 2021 /EINPresswire.com/ -- The [Softlink IC](#) Annual Library Survey is designed to identify important statistical information, such as staffing and budgets, library practices, services, resourcing, and trends around the world.

The survey is now open and will be available for completion until the 30th of July. A link to the survey is available on our website.

The resulting 2021 report will be sent directly to those respondents who provide us with a contact email address. It will also be available on the Softlink IC website shortly thereafter. Last year's report remains available and provides an interesting snapshot of libraries in 2020.

“

The very existence of libraries affords the best evidence that we may yet have hope for the future of man”

T. S. Eliot
