Leslie Hunt began her musical career at the tender age of four, playing piano and singing around her hometown of Chicago. Over the years, Leslie has performed on many stages in various roles, developing as a performer and gaining critical acclaim throughout the process. Many will remember Leslie from her appearance and relative success in the singing competition, American Idol, where she progressed into the Top Twenty Female Vocalists during Season 6 of the popular TV show in 2007. Since then, Leslie has continued not only as a solo artist with the release of three albums, "From The Strange To A Stranger" (2006), "Your Hair Is On Fire" (2009) & "Wait For It" (2012), but also as lead vocalist and songwriter for the exploratory Progressive Rock band, District 97.
