

Pennsylvania Optometric Association and Abyde partner to deliver HIPAA compliance to independent eye care professionals

TAMPA , FLORIDA, UNITED STATES, May 26, 2021 /EINPresswire.com/ -- Industry-leading HIPAA compliance solution provider Abyde announced a new partnership with Pennsylvania Optometric Association (POA), offering a complete user-friendly HIPAA program to POA's members.

Together with the Pennsylvania Optometric Association, Abyde will provide POA members with essential HIPAA compliance programs designed to complement eye care practices' day-to-day operations. The partnership will give POA members exclusive access to a comprehensive HIPAA compliance solution that helps meet government-mandated HIPAA compliance requirements and safeguard their practices against common HIPAA breaches.

“

Abyde is an industry leader in HIPAA compliance, and we are confident that their user-friendly solution will provide instant value to our members.”

Joseph Ricci, Esq.*

Abyde's software solution is the easiest way for eye care professionals to implement and sustain comprehensive HIPAA compliance programs. Abyde's revolutionary approach to HIPAA compliance guides practices through mandatory HIPAA requirements such as the Security Risk Analysis, HIPAA training for doctors and staff, managing Business Associate Agreements, dynamically generated policies and more.

“Our partnership with POA will deliver Abyde's simplified solution to their members while helping them meet essential government compliance requirements in the most efficient and cost-effective way,” said Matt DiBlasi, President of Abyde. “We are thrilled to share valuable resources necessary to thrive in today's environment with even more of Pennsylvania's eye care professionals.”

“Abyde is an industry leader in HIPAA compliance, and we are confident that their user-friendly

solution will provide instant value to our members,” said Executive Director of the POA, Joseph Ricci, Esq. “This partnership will help our independent eye care providers meet these important HIPAA standards in the most simple and stress-free way possible.”
