

NIXCOVID ANNOUNCES PARTNERSHIP WITH WEN-PARKER LOGISTICS

Longtime partnership formalized to supply the world with PPE products

HOUSTON, TEXAS, USA, May 27, 2021 /EINPresswire.com/ -- Medical equipment and technology company [NIXCOVID](#) is proud to announce their partnership with leading global freight forwarder [WEN-PARKER LOGISTICS](#), as their official partner for global shipping.

“Wen-Parker Logistics is very excited to enter into this partnership with NIXCOVID to continue on our company’s missions of bringing critically-needed supplies to those affected by this global pandemic,” said Brady Borycki, Executive Vice-President, Global Business Development at Wen-Parker Logistics.

The Elmont, New York based Wen-Parker Logistics, a leader in wearing apparel transport since 1997, in 2020 delivered over 1 Billion pieces of PPE on chartered flights from Vietnam to the United States through several US gateways.

Ms. Kathryn Bonesteel, co-founder of NIXCOVID and Nixie Technologies Inc., states that, “Wen-Parker has been a strategic ally since the height of the COVID-19 pandemic. When many of the world’s largest freight forwarders could not meet the incredible surge in demand, Wen-Parker

Wen Parker and NIXCOVID partnership

Logistics was able to deliver cost-efficient and optimal solutions for our ever-changing supply chain needs while keeping their delivery schedule. Working together, Wen-Parker and Nixcovid have delivered over a billion pieces of PPE."

[Mr. Blake Sherwood](#), Strategic Partner and Director of Supply Chain Logistics at NIXCOVID and Nixie Technologies Inc, shares this sentiment, "Through this strategic partnership, we have a strong and secure distribution of all products, including PPE, in the U.S. and around the world. After having gained significant insight and expertise transacting PPE, I've been extremely impressed with Wen-Parker and their global capabilities."

WEN-PARKER LOGISTICS, as NIXCOVID's official partner for global shipping

About NIXCOVID:

NIXCOVID is a global supply and technology company, founded by Kathryn Bonesteel and Jeff Wood to help nix the COVID-19 pandemic. The company, and its parent company, Nixie Technologies Inc, are internationally known for their significant impact to supply and donate Personal Protective Equipment (PPE) to frontline workers.
