MONTREAL, QUEBEC, CANADA, May 27, 2021 /EINPresswire.com/ -- Today, the Montreal-based online visual [art gallery](#) Arte Arta announced the availability of the [Virtues](#) collection by [Sarah Arensi](#). Through its interpretation of fourteen virtues, the series offers us a worldview that makes life manifest and celebrates the best that humankind has to offer.

The Virtues collection uses gold applied to the human body as a symbol of the sublime light in each of us. human values. In choosing Arte Arta, Sarah sought to make her collection available to as broad an audience as possible while engaging with a firm that understands the value that art has to our collective well-being.

About the Gallery: Arte Arta

Arte Arta is an online visual art gallery. Founded in 2019, we work under a model of art distribution that is rooted in the traditions of the art world but attuned to contemporary realities, establishing long-term relationships of trust and collaboration with our artists, who represent a broad cross-section of themes and styles: from hyper-technical digital art to traditional painting styles expressed by people from all walks of life and from all over the world – a truly democratic expression of the human experience.
